Customer Reviews

Love the pattern, but a little complicated for some. If you take your time and figure out the instructions, it's beautiful. I do prefer working with a larger hook and skein weight. Don't think I'll be making another one. Berta Gee

I am hoping to find someone to help me understand the directions since I am new to crocheting, but I think I will love it once I understand the terminology.

Cute

My friend bought this pattern for an Etsy request. It came out just as described and the recipient was more than pleased. VERY nice!
