Customer Reviews

Short, sweet and to the point. Many people don't recognize just how damaging a gambling addiction

can be. I've seen friends blow their families life savings due to such an addiction. This is an excellent book to get on track to reclaiming your life.

This book was excellent explained the truth about gambling addiction. You can't do it alone. You need treatment maybe medication for underlying disorder.. meetings and sponsorship.

Very brief and did not give any new information than what you can google or even common sense. No concrete info on where to go for help. Waste of money and time.

Worse book I've ever read! Wasn't helpful. Complete waste of money.
