Customer Reviews

I crochet for charities. Most of the patterns are too time consuming. I crochet for charities and wanted easy simple uncomplicated patterns. Too complicated.

Mostly average patterns. The only one I wanted to make was pictured, but not included in the

patterns! It was the only reason I bought the book.

Love to crochet and wonderful patterns. Can't decide which one to make and who to give it to. Thank you so much.

Only problem I can't print the pattern

like the patterns in it

Will ship again great seller

Good patterns. I will enjoy working on some of them.

I love the "Afghan Crochet Patterns-Ten Classic Vintage Patterns" . I can't decide which Afghan I'll make first.
