Customer Reviews

Heather E. Schwartz writes books for kids from her home in upstate New York. She loves writing because she loves learning new things, brainstorming creative ideas, and moving words around on a page. In her spare time, she runs a website for young writers (WriteintheMiddle.co). She also enjoys baking cookies in fun shapes, throwing holiday parties, walking in the woods, eating cider donuts, and spending time with her family.

I thought this was bigger book. I hope it gets updated soon. It seems the book is a couple of years old and needs to be revised.

I'm in love with Selena, oh my god she is amazing!! Ashley 77
