Teen To Teen: 365 Daily Devotions By Teen Girls For Teen Girls

Synopsis

What more encouraging way to gain perspective than by talking to someone who has been there, especially when that someone is one of your peers. Written expressly for teens by teens, this unique 365 day devotional is filled with personal experiences that are relatable and heart-felt. In addition to learning teen to teen how to deal with difficult issues and maneuver the often trying path to adulthood, each devotion leads teens to move into a deeper relationship with Christ as they recognize that He is the answer to life's problems and strife. Through the stories of others, teens see how God works in our lives when we open ourselves to Him. The devotion includes hundreds of teen authors and teens love reading what their peers have written. This devotional creates a safe, social atmosphere for teens to learn that they are not alone and that God is at work in their lives. Teens learn from other's failures and triumphs how to make the right choices. The impetus for this devotional is to help teens understand how God can and does work in their lives.

I bought this for my 12 year old granddaughter and gave it as a Christmas gift. When she opened it, I pointed out that it was "for teens, written by teens", so she started browsing through it. Very shortly thereafter, she came over and hugged me, almost crying, saying that she had just read a devotion and it was so great! She got MUCH more expensive items that she asked for, but THIS is the one she seemed to care about the most!

I like this book a lot. Being a teenager it really does give some comfort to some of the problems we face. I do wish the day to day things were a bit longer since they're only one short page. But I make it longer by reading the page the reading the chapter the bible verse they use comes from.

I have used this in a preteen class with both genders and it is a great resource to have.

Absolutely wonderful for young girls. My daughters look forward to reading this each day and thumb through the pages to find what fits their story at the time. Highly recommend for others with tween girls. I even walk away from it learning something.

Bought this for my 12 year old daughter. Some of the devotions are extremely relevant to her every day life (like how to handle friend issues) - some less so, but she reads this book every night. Often she reads more than one, so even though it's supposed to last the whole year - I predict she'll get through it in less than 6 months!

She loves all these books that help her get closer to God!

Very nice read a little very nice daughter going to love it

Love this devotions book!! It has great topics and they are all related to my life! I love that other teenagers wrote it!
