Customer Reviews

The story is good but never ending. Feel like i was have been betrayed purchasing all seven books and the story is still not over. Not sure if I will get the the last one...if it is the last one.

Book was good only reason I'm giving 2 stars is because she should just combine every into 3 books. It's kinda annoying how its taking 8 books to get to the point

Tyrone was ashamed to reveal his secrets, but his secret was huge.

Although I enjoy reading this series about the Lucas family: Tyrone, Evette and the children.; I hope that the author would consider combining the other parts or put all them together for a reasonable price

The whole series was amazing to read.

Great read

...but just HOW many parts are in this thing. I almost wish I never started! Finish it already goood grief! LOL!

Great read
