One Last Breath

Synopsis

Every family has its secrets. Rory Abernathy's wedding to Liam Bastian turned into a bloodbath. She fled after stabbing a masked intruder, just before a gunman opened fire on the wedding party. Five years on, Rory still has no idea who was behind the attacks. Fearful she and her daughter remain targets, she's made a new life far from Liam and the wealthy, powerful Bastians. But even in remote Point Roberts, Washington, she can't hide from the past. Liam tracks Rory down, stunned to learn they have a child. Did someone in Rory's family try to kill him for his portion of the Bastian estate? As they gradually overcome distrust in search of the truth, Rory knows one thing for certain: someone is watching her. Are they worth killing for? Time has passed, but the killer's need for vengeance hasn't. And as a nightmare stirs to life again, Rory will find that this time, there's nowhere left to run.
