New England Covered Bridges Through Time (America Through Time)

Synopsis

New England Covered Bridges Through Time shows the changes to these beloved symbols of Americana since they became major tourist attractions early in the twentieth century. Many covered bridges have been replaced with modern structures, and most of those which remain have also changed as the landscape around them has become more suburban. A few remnants remain the same, and still evoke old New England. This book shows how these historical bridges have fared in the modern world.

Book Information

Series: America Through Time

Paperback: 96 pages

Publisher: America Through Time (March 19, 2015)

Language: English

ISBN-10: 1625450788

ISBN-13: 978-1625450784

Product Dimensions: 6.5 x 0.3 x 9.2 inches

Shipping Weight: 4.8 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars 3 customer reviews

Best Sellers Rank: #2,469,820 in Books (See Top 100 in Books) #92 in [Books > Arts & Photography > Photography & Video > Architectural > Bridges](#) #156 in [Books > Engineering & Transportation > Engineering > Civil & Environmental > Bridges](#) #8377 in [Books > Arts & Photography > Photography & Video > History](#)

Customer Reviews

Joseph D. Conwill has visited every historic covered bridge in North America, plus many now gone, since becoming interested in the subject in 1966. He is archivist of the National Society for the Preservation of Covered Bridges and editor of its historical quarterly covered bridges and many technical articles on bridge framing. He lives in the western mountains of Maine with his wife Nancy.

A superb book written by an expert in the field of covered bridges. I highly recommend it!

This is a nice addition to my collection of books on covered bridges. It is nice to have the historic photos along with current, or relatively current photos. My one slight disappointment is that, with over 175 covered bridges still standing in New England, this book didn't cover more of them.

This is one of those before and after books but devoted to covered bridges. The author/photographer spent much time in scouting out older photos and duplicating them in the present. This is much more fascinating than just another inventory of bridges with a mug shot of each. Terry Miller, Kent, Ohio
